

# CYCLING WITHOUT AGE

Cycling Without Age started in Denmark to help seniors get back on their bikes, experience their communities up close, and feel the wind in their hair again.

Bethany Village is proud to be the first Cycling Without Age chapter in PA, and we invite all local cyclists to join us as volunteer pilots!

Contact Erin Emenheiser at (717) 591-8420 or email her at [eemenheiser@asbury.org](mailto:eemenheiser@asbury.org) to get started.
